Karl - memo from Linda Reese
San Marcos
Just a suggestion -
Since there are so many
for the rustles why don't
we all meet in the fall
for a cutting exchange as
we do now, but divide the
state into districts, much
as the gorda club does (Marg-
aret Sharpe knows) and the
weekend prior to the swap
each district have their
own rustle - that way we
could all participate w/out
actually having to trail along.
